RE: SDS for Manufactured Products  
May 6<sup>th</sup>, 2020

Marmon Aerospace & Defense manufactures wire and cable for the aerospace and defense industries. Products manufactured by Marmon A&D are defined as “Articles” by 29CFR1910.1200(c). Under normal use, our manufactured products will not release or result in any exposure to hazardous chemicals. Such “Articles” are exempted from SDS labeling and notification requirements by 29CFR1910-1200(b)(6)(iv). We therefore do not distribute Safety Data Sheets for products (“Articles”) that we manufacture based on evaluations made by our company.

Providing Safety Data Sheets for the constituent raw materials or our products shall be considered on a case by case basis due to the proprietary nature of our materials and processes.

Sincerely,

The Marmon A&D Team,

Kyle W. Coderre  
Applications Engineer

James N. Filice  
Applications Engineer

Kevin D. Coderre  
V.P. Engineering
