

SKULL AND VINE

Fiesta® Dinnerware's Skull and Vine and Skull and Vine Sugar's intricate designs were inspired by Día de Muertos, a Mexican holiday that translates to Day of the Dead. Like the classic sugar skulls that come out for Dia de Murtos, ours skulls are adorned by beautiful flowers and patterns, all surrounded by a lush vine with leaves.

You can reserve these gorgeous dishes for special occasions such as Halloween or the Day of the Dead, or keep them out all year long.

SKULL AND VINE

Our Skull and Vine pattern is a unique spin on the Sugar Skull. A festive sugar skull is surrounded by florals and vines drawn on in a mix of metallics on our one-of-a-kind cast-iron-like Foundry glaze.
