Walsted Truck A/S

Flexible solutions

Walsted Stainless Steel Forklifts and Powered Pallet Jacks

Delivering the highest quality since 1948. Walsted trucks are made to order to meet your demanding applications in hygienic or caustic environments. Each truck is built for a lifetime of use and backed by Servoliff's 100% parts, shipping and labor guarantee.

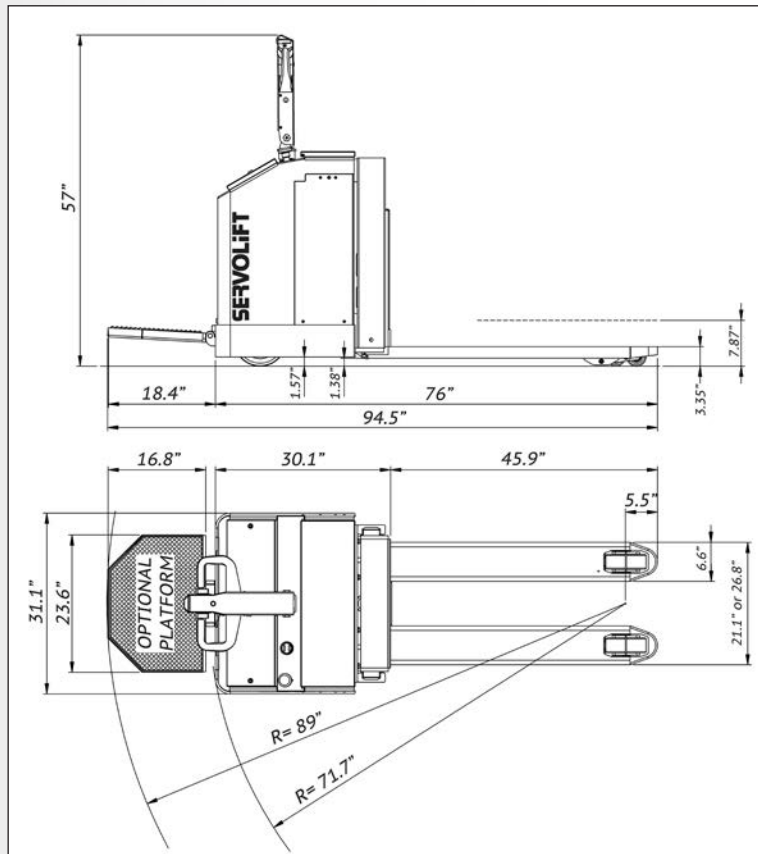

Powered Pallet Jack

Type	Item Description	Data
Capacity	Total Load	2500 Kg / 5513 Lbs
Power System	Electrical	Battery
Steering	Power Assist System	Walking or Platform
Turning Radius	Without Load and platform	71.7"
Turning Radius	Without Load and with platform	89"
Driving Speeds	Without load / With load @ mph	3.72/3.35 - 7.14/5.28**
Weight	Without Battery	600 Kg / 1323 lbs
Braking System	Type	Electric
Parking Brake	Type	Electric
Battery	Type	Lead Acid (ASM optional)
Battery Power	Power	24 VDC / 344 Ah
Battery Weight	for std. Lead Acid 24/344	262 Kg / 577 Lbs
Motors	Drive Motor - Two (2) units	3 Kw / 4 Hp (total)
	Pump Motor	2.2 Kw / 3Hp
Speed Control	Variable	Electronic

** Without Platform

Specifications subject to change without notice.
We can customize any dimension you require

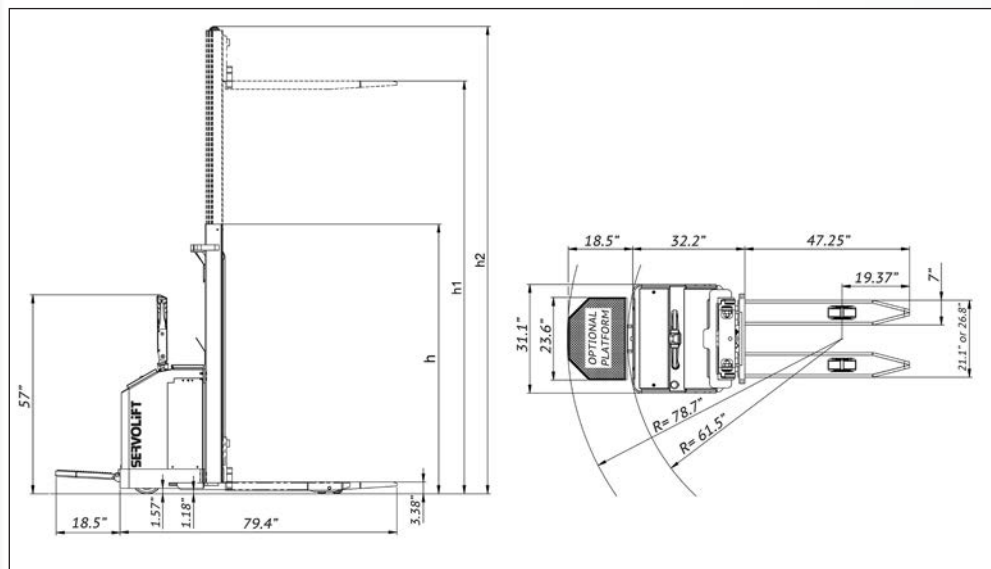

Walkie Stacker Truck

Type	Item Description	Data
Power System	Electrical	Battery
Steering	Power Assist System	Walking or Platform
Turning Radius	Without Load and platform	61.5"
Turning Radius	Without Load and with platform	78.7"
Driving Speeds	Without load / With load @ mph	3.72/3.35 - 7.14/5.28**
Weight	Without Battery	950 Kg / 2095 lbs
Braking System	Type	Electric
Parking Brake	Type	Electric
Battery	Type	Lead Acid (ASM optional)
Battery Power	Power	24 VDC / 344 Ah
Battery Weight	for std. Lead Acid 24/344	262 Kg / 577 Lbs
Motors	Drive Motor - Two (2) units	3 Kw / 4 Hp (total)
	Pump Motor	2.2 Kw / 3Hp
Speed Control	Variable	Electronic

** Without Platform
