My heart is fixed in 2026!

My heart is fixed, O God, my heart is fixed, steadfast, determined, prepared, ready, secure, firm, confident, set, committed, steady, unwavering, right, quiet and confident: I will sing and give praise, with all my heart, with my whole heart, with all my soul, with all my being, and with great affection.

Based on Psalm 57:7

“Fixed” means to be firmly established, steadfast, made ready, prepared. It is important to be fixed, firmly established for this new year. How can we be fixed? We must keep our focus on the Lord and His Word. We know that faith comes by hearing and hearing by the Word of God. When King Jehoshaphat faced great enemies, he said “we don’t know what to do but our eyes are on You”. We are exhorted in Hebrews to lay aside every weight and sin that hinders us and to look unto Jesus, the author and finisher of our faith. Faith is the victory that overcomes the world. We understand that to be fixed or established, we must make the Word of God our top priority. Make an appointment with God every day to be in His Word, reading, studying, praying, and applying it to our lives. Thank God for the ministry of KKN that brings ministers who preach and teach the Word of God. We are not complete within ourselves, we must have the five-fold ministry gifts given to the Body of Christ to help us be equipped for the work of the ministry. Each one of us has the advantage over the devil when we are equipped and stand in faith in the victory that we have in Christ. When we are established, we will not give up or quit. We will remain faithful to what God has called us to do, knowing that we will reap a harvest and rejoice when we see Jesus! His coming is sooner than it has ever been! We will sing and give praise throughout this year as we anticipate greater things ahead in the Kingdom of God. “I’m pressing on the upward way, new heights I’m gaining everyday, still praying as I’m onward bound, ‘Lord plant my feet on higher ground.’”

Comments from Ricky Pfeil

As I sit to write this message to all who receive our newsletter, I ponder how thankful I am for you. The word “ponder” caught my attention in a stronger way than I ever remember during the Christmas season. The Bible said in Luke 2:10, regarding the things that the shepherds had told her about what they had seen and heard from the angels, that Mary kept these things and **pondered** them in her heart. Ponder means “to weigh in the mind” or “to deeply consider”.

Why am I pondering how grateful I am for you? I'll explain briefly. When we began this ministry over 39 years ago, we had numerous ministries that put their radio programs on the air and paid monthly for that. That was greatly needed and very much appreciated. But, things are not the same today as they were four decades ago. Most of the local and area churches stopped producing radio programs. Several of the Pastors and other preachers died, or moved away. And, one by one, the National ministries (such as John Hagee, David Jeremiah, Joyce Meyer, and more) whose radio bill brought a nice amount of finances monthly, stopped all radio broadcasting nationwide.

Nowadays, there are a few ministries that pay for a program. Many of the programs are aired for the spiritual benefit of the listeners, but without payment from the ministry they represent (Kenneth Hagin, Keith Moore, Point of View, and several more). Others share a portion of contributions sent to them from our listeners only when they receive contributions (Southwest Radio Church, James Dobson Ministries, Adrian Rogers, for example).

My point is that the majority of the finances needed to function (about \$400,000 annually) come from individual listeners. I would estimate that somewhere between two-thirds, and three-fourths, of the funds come from individual people, such as many of you who are reading this. My heart is flooded with thanksgiving as I **ponder** the numerous times this year that Linda has told me of large contributions that came in the mail.

The times and circumstances, and sources through which funds come, may have all changed, but God changes not. He raised this ministry up, and He keeps it going. I believe it is miraculous. Thanks, everybody, and Happy New Year.
