My heart is fixed in 2026!

My heart is fixed, O God, my heart is fixed, steadfast, determined, prepared, ready, secure, firm, confident, set, committed, steady, unwavering, right, quiet and confident: I will sing and give praise, with all my heart, with my whole heart, with all my soul, with all my being, and with great affection.

Based on Psalm 57:7

Happy 250th Birthday

Father God, we come to You in the Name of Jesus, thank You for all Your blessings of living in America. As You have given us grace, peace, and prosperity, may we turn to You with all our hearts and receive forgiveness and help so that we please You in all our ways. May there be another Great Awakening. Your will be done in our nation.

Please mark your calendar for August 30th, 6:00pm, at Accelerate Church . We will be celebrating 40/55- 40 years of broadcasting and 55 years of marriage of Ricky & Diana Pfeil! More information to come...

Thank you for your faithful support throughout these summer months. Everyone doing what they can do makes the broadcasting of God's Word available to many people. God's Word is alive and active. When it is believed and acted upon, it will change our lives. In keeping God's Word there is great reward. The Word will give us doctrine, reproof, correction and instruction in righteousness so that we may be complete and thoroughly furnished unto all good works.

Comments from Ricky Pfeil

Here's something to remember as we approach the 250th birthday of the United States. In 1992, in his speech to the Republican Convention, Ronald Reagan listed the "Ten Cannots" for our nation. In that speech he credited Abraham Lincoln as the author of this list of "Cannots", but they were actually written and published by Reverend William Boetcker in 1942 in his leaflet entitled "Committee for Constitutional Government".

Here are the Ten "Cannots":

#1 - You cannot bring about prosperity by discouraging thrift.

#2 - You cannot strengthen the weak by weakening the strong.

#3 - You cannot help little men by tearing down big men.

#4 - You cannot lift the wage earner by pulling down the wage payer.

#5 - You cannot help the poor by destroying the rich.

#6 - You cannot establish sound security on borrowed money.

#7 - You cannot further the brotherhood of man by inciting class hatred.

#8 - You cannot keep out of trouble by spending more than you earn.

#9 - You cannot build character and

courage by destroying men's initiative and independence.

#10 - You cannot help men permanently by doing for them what they can and should do for themselves.

These are important truths, and they are all Scriptural. If I was preaching a sermon on this, I would give you Scripture references for each point, but space is very limited in a short newsletter. Hopefully, you will read over these again and again, or even cut this out and save it. Oh, how our elected officials need to realize all these things.

According to Exodus 18:20 (the verse preceding the verse describing characteristics we should desire and pursue in people running for office), we are to teach God's ordinances and laws to them. That requires some effort, work, and time which is a considerably bigger responsibility than just voting. Things will never improve, and righteousness will never prevail or increase, if we shirk our responsibility of instructing and teaching people running for office. You could start by cutting out these "Ten Cannots" and giving them to the next person who declares his, or her, candidacy for office.
