NORDMENDE
SMART LIVING

There's a name for smart living.

We make living as enjoyable and simple as you want.

For over seven decades, NordMende has been helping customers to live the smart life - with technologies that are truly ground-breaking and testimony to our commitment, quality and excellence.

Combining great technology with our German engineering heritage, NordMende always looks to deliver the levels of quality and reliability that you've come to expect - at prices that represent real value for money. We know that customers demand appliances that make life easier – and that put them firmly in control.

Now imagine all of this coupled with one of the best appliance warranties on the market. Add in cutting edge design and it's clear to see why more and more people are making themselves at home with NordMende.

CSG92IX

RRP: £759

The NordMende range cooker's cast iron supports are designed to be robust and durable. They position the pan at optimum height above the flame ensuring the even distribution of heat while cooking. Giving you perfect cooking results!

ELECTRIC HOBS

Our hob features explained.

This safety feature allows you to lock the buttons on the control panel so that children cannot accidentally change the setting of your appliance when it's on.

These streamlined electronic controls are stylish and easy to use. The seamless design also means that keeping your appliance clean is as simple as ever.

This valuable safety feature works by illuminating an indicator to tell you if a zone of the ceramic hob is still hot even after you have turned off the controls.

Also Available in Stainless Steel

HGX903BGL

RRP: £409

Our gas hob features explained.

NordMende electric ignition hobs use electric sparks to ignite the surface burners. This is the "clicking sound" audible just before the burner actually lights. Once the gas burner lights, the knob is turned further to modulate the flame size.

For additional safety NordMende gas hobs are fitted with a flame safety device that automatically halts the supply of gas if the flame goes out for any reason.

Our NordMende cast iron supports are designed to be robust and durable. They position the pan at optimum height above the flame ensuring the even distribution of heat while cooking.

CUSTOMER SERVICE

Visit www.nordmende.co for more information

Customer Service

That puts you first every time.

All NordMende appliances are built to last, harnessing the very best of technology. And with a 3 Year Parts & Labour warranty on nearly all the appliances featured in this brochure* you can look forward to a trouble-free life with NordMende.

At NordMende, the quality of our after-sales service is just as important to us as the quality of our products. Naturally, if you choose an appliance supplied by us you will be able to rely upon your appliance to provide you with many years of loyal service and devotion to duty. However, in the event of a problem, you can feel secure in the knowledge that our experienced repair team are dedicated to ensuring an outstanding after sales service for you.

Our after-sales service team are committed to developing an outstanding customer journey experience for you and whatever your preference, we will keep you updated via telephone calls, email or text regarding your products' repair journey. We are based right here in the Republic of Ireland with a network of engineers nationwide at your convenience.

*Register To Receive Your Free 3 Year Warranty

All NordMende household appliances are fully guaranteed for 2 years from the date of purchase. If you register online or with our customer service team within 30 days of purchase you will receive an additional 1 year free - so 3 years in total.

Your warranty covers major parts only and excludes microwaves and televisions which carry a 1 year parts and labour warranty.

Please retain your original proof of purchase to secure your warranty guarantee.

How To Register?

Please register online at www.nordmende.ie/warranty-registration

Before registering, please have the following information:

1. Model Number
2. Serial number
3. Date of purchase
4. Place of purchase
5. Your full name, address and contact telephone number

Aftersales Service

Please contact us online at www.nordmende.co/contact or call our advisors on 028 9023 5088

Before contacting us please have the following information:

1. Model Number
2. Serial number
3. The phone number the product was registered against
4. Fault details

NordMende Warranty Conditions:

- The Guarantee covers the appliance for use in a normal domestic environment. Institutional or commercial use is not covered.
- The appliance has been correctly installed and used only on the electricity or gas supply stated on the appliance rating plate.
- All Gas appliances must by law be fitted by a Registered Gas Installer
- The appliance has been used in accordance with the manufacturers operating and maintenance guidelines.
- The appliance has not been serviced or tampered with by an unauthorised NordMende service engineer.
- Registration can only be confirmed by entering the products valid serial number.- see our website for instructions on where on your appliance you can locate the serial number.

Your NordMende Warranty Does Not Cover:

- Damage or as a result of transportation, improper use or neglect.
- Complaints due to the use of incorrect voltage.
- Failure of the water supply.
- Failure of the electricity supply.
- Failure to operate the appliance in line with the guidelines set out in the instruction manual.
- Replacement of consumable items. E.g. Fuses, bulbs, broken glass, knobs
- Replacement of any cosmetic parts including ceramic hob glass and all appliance doors
- Replacement of any accessories such as oven trays
- Any service calls as a result of lack of maintenance of the appliance, e.g. filter blockages, drainage systems, soap dispensers etc.
- Appliances found to be used in a commercial environment

NORDMENDE

SMART LIVING

Our German Heritage

Radio H. Mende & Co was founded in 1923 by Otto Hermann Mende in Dresden (Germany). After 1947, his son Martin Mende changed the name to NordMende and built the brand we know today. The company went on to become one of the most prominent German manufacturers of radios and televisions.

Today, NordMende remains a major player in consumer electronics. The brand now also offers consumers a complete range of household appliances drawing on it's German heritage and passion for making quality products.
