Pigeon Lake Golf Club & RV Park

was purchased by Louis Bull Tribe in 1991 and we still own it 100% today! This includes the inn, the golf course, the RV Park and some surrounding property.

PLGC is a key component to our community socio-economic development. PLGC offers a place for many of our community members to gain work experience and build their self-confidence through positive interactions with our RV Park community, our golf club members and our guests.

Your patronage of PLGC is greatly appreciated. To all our guests both new and old, we want to say thank you on behalf of Louis Bull Tribe!
