10. SITE AND VEHICLE RESTRICTIONS

Any Tenant Improvements and Tenant Chattels not so removed shall be deemed abandoned by the Tenant and shall become the property of the Landlord without any claim thereon by the Tenant and the Tenant agrees that it shall take all necessary steps to legally transfer ownership of the Tenant Chattels to the Landlord.

15. INDULGENCES

- 15.1 The Landlord’s granting of any indulgences to the Tenant for any breach of this Lease, or extension time, shall not be construed as a further indulgence on subsequent breaches or extension of time.

If the Landlord does not provide such approval, then the Tenant must remove the Tenant Improvements and the Site must be restored by the Tenant to its natural ground state. Up to the Termination Date, the Landlord may provide contact information for the Tenant to any parties interested in acquiring the Tenant Improvements. Any Tenant’s Improvements and Tenant Chattels not sold or removed by the Termination Date shall be deemed abandoned by the Tenant and shall become the property of the

Landlord without any claim thereon by the Tenant and the Tenant agrees that it shall take all necessary steps to legally transfer ownership of the Tenant Chattels to the Landlord.

18. LANDLORD'S RIGHTS TO REFUSE RENEWAL

On or before the Termination Date the Tenant shall remove the Tenant Chattels and sell or remove the Tenant's Improvements as herein provided. Up to the Termination Date, the Landlord will provide contact information for the Tenant to any parties interested in acquiring the Tenant Improvements. Any Tenant's Improvements and Tenant Chattels not sold or removed by the Termination Date shall be deemed abandoned by the Tenant and shall become the property of the Landlord without any claim thereon by the Tenant and the Tenant agrees that it shall take all necessary steps to legally transfer ownership of the Tenant Chattels to the Landlord.

19. SALE OR REMOVAL OR TENANT IMPROVEMENTS OR CHATTELS

19.1 If the Tenant's Improvements or chattels are abandoned or deemed abandoned: The Tenant shall be responsible for all expenses (including the Landlord's legal fees on the scale as between solicitor and their own client on a full indemnity basis) associated with the removal of the Tenant Chattels, sale or removal of the Tenant Improvements, and restoration of the Site to its natural ground state, as herein provided. In its sole and unfettered discretion, the Landlord may in whole or in part, and without compensation to the Tenant, take possession of and title to any Tenant Improvements abandoned or deemed abandoned. The Tenant shall pay to the Landlord its cost of removal or repair of the Tenant Chattels or Tenant Improvements, and restoration of the Site to its natural ground state in whole or in part, including a reasonable fee for the Landlord's employees and contractors performing such work. The Tenant shall not have any claim whatsoever against the Landlord by reason of the Tenant not being able to, by the dates provided herein, sell or remove the Tenant Improvements, restore the Site to its natural ground state or remove the Tenant Chattels.

20. STORAGE CHARGES

20.1 If the Tenant does not remove the Tenant Chattels by the date(s) provided in this Lease, the Landlord shall be entitled to remove the Tenant Chattels from the Site at the Tenant's cost. The Landlord shall have a lien on the Tenant Chattels for storage charges (which the parties hereto deem to be reasonable) at the rate of \$35.00 per day calculated from the date such Tenant Chattels should have been removed, together with the cost of removal and transportation charges. If the Tenant fails to pay storage charges, within fourteen (14) clear days of receiving written notification thereof from the Landlord, then the Tenant Chattels shall become the Landlord's property and, the Landlord may sell the Tenant Chattels either privately or at public auction. After the deduction of the Landlord's costs related to removal, transportation and sale of the Tenant Chattels, the balance shall be applied against storage charges and any shortfall shall be paid by the Tenant. The Tenant does hereby grant the Landlord the authority to discard or destroy any of the Tenant Chattels and Tenant Improvements left on the Site by the Tenant that the Landlord, in its sole unfettered discretion, deems unsuitable or unworthy of storage.

1. TENANT AND VISITORS AND GUESTS

The term "Tenant", as used in these Rules and Regulations, includes the party signing this Agreement, the Tenant's spouse and the Tenant's children to the age of 18. The Tenant may permit his or her immediate family to use their RV and the Site and the Tenant acknowledges and agrees that the Tenant will be responsible for the behavior of such family members. The Landlord reserves the right (in the Landlord's sole and unfettered discretion) to limit the number of visitors within the Park. Unusually large family reunions or visitor gatherings that are likely to disrupt other RV Tenants' enjoyment of the Park will only be allowed if the Landlord's prior written consent is obtained. The Landlord can withhold such consent for any reason whatsoever without giving any reason therefor.

2. THE SITE

- a) Each Site shall only accommodate one recreational vehicle that is either a trailer or a motor home. The water supply faucet and the power supply at each Site will be used only for the designated recreational vehicle for the Site. Visitors with their own recreational vehicle must park in areas designated by the Landlord. All Sites must be properly marked with signage indicating the Tenant's site number, which signage shall be placed by the Landlord at eye level. The Tenant is not permitted to remove such signage and shall ensure that the signage is visible at all times.
- b) The Site is to be kept in a neat, tidy and clean condition, including the lawn areas around the Site. The Tenant shall also keep the Site in such condition aforesaid in accordance with any written notice from the Landlord. Failure to comply will result in an insufficient Site maintenance assessment of \$50.00 per week determined by the Landlord in its sole and unfettered discretion, and shall be paid forthwith upon being invoiced therefore by the Landlord.
- c) Except as specifically permitted by this Agreement, additional storage sheds, decks, bunk houses, gazebos and fences shall not be placed on the Site and Park without the Landlord's prior written consent. Any request for approval for additional storage sheds, decks, bunk houses, gazebos and fences must be accompanied with information on the materials being used and the proposed square footage of the addition. The Landlord can withhold such consent for any reason whatsoever without giving any reason therefor.
- d) Tenant Improvements
 - i. Tenant Improvements and recreational vehicles must be placed within the property lines of the Site and not encroach onto any neighbouring sites.

- ii. Maximum two (2) sheds per Site, with a maximum size of one hundred twenty (120) square feet per shed.
- iii. Shall not be built within four (4) feet of neighboring Tenant's structures, regardless of the placement of those neighboring structures.
- iv. Shall be setback a minimum of four (4) feet from PLGC roads.

Existing Tenant improvements that do not meet the section 2d) rules (excluding number of sheds) as of April 1st, 2022 may remain "as-is" until a transfer of ownership takes place. Prior to any transfer of ownership (including but not limited to sale, gift, bequeathment) the Site must be brought into compliance with the rules before a transfer of ownership will be accepted by the Landlord.

After April 1st, 2022, if a Site has NOT been brought into compliance with the section 2d) rules prior to a transfer of ownership taking place, the Landlord may immediately demand that the new owner bring the Site into compliance. Any cost, legal suit, or other remedy sought by the new Tenant shall be the sole responsibility of the previous Tenant.

All signatories to this Agreement will hold the Landlord, Pigeon Lake Golf Club (1991) Holdings Ltd. and each of their directors, officers, employees, contractors, managers, agents and shareholders, and all of their successors and assigns, from any and all costs, charges, claims, actions, losses, damages, expenses and liabilities (including the Landlord's legal costs as between solicitor and their own client on a full indemnity basis) that may result from any transfer of ownership.

The Landlord, in its sole unfettered discretion, will exercise any and all rights available to it under this Lease Agreement to bring Sites into compliance upon transfer of ownership.

- e) The Tenant shall ensure that any structure built on the Site is safe, in good repair and in a condition not likely to cause injury to any persons on the Site. The Landlord reserves the right, in its sole discretion, to declare any of the Tenant's structures to be unsafe, in which case such structure shall be dismantled or repaired by the Tenant to the satisfaction of the Landlord. At the end of the Lease Term, the Tenant shall remove all structures on the Site and restore the Site to its original state, subject to the Landlord's direction. The Tenant is responsible for complying with the Alberta Fire Code at their expense. The Landlord may require that Tenant Improvements be removed or modified if they pose a fire hazard as determined by the Landlord in their sole and unfettered discretion.
- f) The Tenant is entitled to use one electrical receptacle and the water supply located within the Tenant's Site. These facilities shall not be shared with other recreational vehicles.
- g) No dumping of grey water or sewage is permitted to be carried out by the Tenant on the Park's grounds.
- h) Clothes lines may not exceed six feet in height and must be removed at the end of the Season.

- j) Upon written Tenant notification to the Landlord, and within reasonable timeframe as determined in the sole, unfettered discretion of the Landlord, PLGC Management will have tree health assessed, and if necessary, will remove dangerous trees from the Property. If trees are required to be removed from a Site, the Tenant, at the Tenant's cost, shall remove recreational vehicles, fencing and other structures to facilitate such removal. Unauthorized tree and vegetation removal are strictly prohibited and may lead to eviction. The cost to replace any trees either deliberately or unintentionally damaged is the sole responsibility of the Tenant.
- k) If a Tenant has a tree they would like removed for other reasons (aesthetics, room to park etc.) the Landlord may consider this request in writing if the Tenant agrees to cover the cost of removal. Typically, the removal cost is \$350 - \$800 per tree depending on its location, size and difficulty to remove. These requests can be emailed to PLGC@louisbulltribe.ca

Garbage containers must be concealed from view on RV Sites. Grass clippings and/or leaves, and empty bottles for recycling must be placed in clear garbage bags. Cardboard must be broken down and tied in a manner which enables easy compaction. Large item, electronics and hazardous item disposal is the responsibility of the Tenant. Tenants shall not deposit leaves, ashes, wood, propane bottles, barbeques, furniture, lawn chairs, large objects or any other unaccepted material posted into the Park garbage bins. Bins are to be used courteously and with respect for other Tenants.
