# *Buffetware*

A GUIDE TO THE PERFECT SET UP

The image features a white rectangular text box centered over a background of marble-patterned buffetware. On the left, a tall glass cereal dispenser is filled with golden-brown cereal. In the center, another similar dispenser is partially filled. To the right, a white shelf holds a glass jar of dark chocolate chips. In the foreground, a white tray holds several bowls and glasses: two glasses of white milk, a bowl of strawberries, a bowl of blackberries, and a bowl of raspberries. The overall aesthetic is clean and modern, emphasizing the quality and variety of the buffetware.

# abert

Abert Buffetware offers top quality Italian craftsmanship and innovation. Designed to mix and match and create infinite buffet possibilities. The high quality of materials and functional designs will support the daily use of professionals: easy to clean and store while resistant to daily wear and tear.

# Buffet Basics

Whether you want to set up a buffet for a lunch or a coffee break, these basics will your guests have a great meal that engages and showcases your menu offerings and flows efficiently.

## RISERS

Elevate your food presentation by using various heights.

## TILES

Add personality to your buffet with Domino Tiles to complement your Domino Riser.

## HOT STATION

Choose among different solutions such as chafing dishes or cast iron casseroles for your hot dishes.

## TRAYS, BOWLS & ACCESSORIES

The accessories will play a key role to your buffet presentation for either adding elevation or enhancing your menu.

### COLD STATION

Build your cold station to keep your dairy products such as yogurt, milk, butter, or any other food you want to keep cold.

### DISPENSERS AND CARAFES

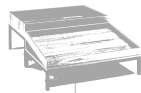

Create a beverage station that will cover all of the favorites of the buffet: coffee, orange juice, tea, and more.

# *Buffet Building*
