Premium Coffee Solutions. Local Expertise. Immediate Availability.

Franke Coffee Systems Now Available
at SESCO.

At SESCO, we're proud to be your trusted Franke Approved Partner and Distributor—bringing world-class coffee innovation to your doorstep with the service and support only a local partner can provide.

Whether you're running a bustling café, upgrading your convenience store, or elevating your hotel's guest experience, Franke's fully automatic machines deliver barista-quality beverages—every time. And with SESCO, you get more than just a machine—you get a partner committed to your success.

WHY CHOOSE SESCO + FRANKE?

In-Stock & Ready to Ship

No long lead times. No guesswork. All our locations have Franke machines on hand and ready when you are.

Expert Support, Close to Home

Our experienced team understands your business and is here to help you select, install, and maintain the right Franke solution for your needs.

Smart Investment, Fast Payback

With high margins, low waste, and long-term reliability (7–10 years with proper care), Franke machines deliver ROI in as little as 6 months.

Swiss Engineering, Local Service

Franke's legendary precision meets SESCO's hands-on service—ensuring your coffee program runs smoothly from day one.

FRANKE FEATURES THAT SET YOU APART

iQFlow™

Intelligent extraction for consistent, customizable flavor.

FoamMaster™

Silky milk and frothy foam with multiple milk options.

CleanMaster

Fully automatic cleaning for top-tier hygiene and ease.

Digital Services

Real-time performance data, remote updates, and menu management.

EXPLORE THE LINEUP

Super Automatic Fresh Brew

A300 FB

Most compact and low voltage (120V) bean-to-cup machine, ideal for those with limited counter space.

A400 FB

Small but mighty hot coffee machine, ideal for small cafes and bakeries.

A800 FB

High-capacity brewing with iQFlow™ for consistent flavor.

Super Automatic Espresso

A400 FM

Small but mighty hot coffee machine that features an automatic cleaning system and interactive touchscreen.

A600 FM

Versatile and intuitive, perfect for mid-sized operations.

A1000 FM

Premium performance with flavor station and dual bean/powder options.

Super Automatic Espresso + Fresh Brew

A1000 FLEX

Combines coffee and espresso in one flexible unit.

Two Step Espresso

S700

Semi-automatic with barista-style control in a compact footprint.

WHAT OPERATORS ARE SAYING ABOUT FRANKE COFFEE SYSTEMS

"With Franke, a handshake is enough. With them, a word given remains a word given. They see us as a customer and they are a reliable partner for us. Frankly, I had thought that we would have to replace the machines long before. However, they are as reliable and solid as a Swiss watch movement."

Fernando Clemenz

Head of Catering, Matterhorn Group AG

Scan to contact us about our partnership with Franke Coffee Systems and how together we can help elevate your coffee program!
