SESCO is proud to Offer Seco Solutions!

Mobile Heated Cabinet

BUILT BETTER, FROM THE FRAME UP.

The strength and reliability of SECO Select® stainless steel heated holding cabinets begins with a strong, solid frame. This rigid steel structure supports our equipment and protects the food and materials stored within it.

1-1/2" x 1-1/2" x 1/8" welded steel frame

Hinges and latches mounted to the frame (drilled/tapped)

5/16" caster plates, welded on all four sides, drilled and tapped for secure fastening of casters

Powder Coated frame for superior corrosion resistance
