# The Choice of Top Pizza Operators

## Automated Dough Processing Solutions

When Pizza is your business  
- choose the ultimate dough processor

# INSITU

DOUGH PROCESSOR

### 2-in-1 Dough Divider / Rounder

Dough Prep  
in 3- 5 Seconds

Automation divides  
rounds dough balls  
to exact weights

Accuracy of +/- 0.1oz

Simplifying operations - Industry's most consistent processor  
Streamlining pizza dough prep so you can focus on the customer

REQUEST A DEMO

Pneumatically  
operated

115 volt  
Plug-n-Play  
standard outlet

Compact - Flexible  
Roll-Anywhere  
Mobility

### Saving Valuable Dough Labor

- ✓ Faster prep - and easy cleaning
- ✓ Less dough labor - and training

Savings that ADD UP....  
Example... 2.5 hrs per day with 2 employees = 5 hrs  
INSITU 1 hr with 1 employee per day

Labor Savings  
PER WEEK.... 28 hrs at \$ 17.50 pr hr PER YEAR \$25,000

# Mobile Heated Cabinet

## BUILT BETTER, FROM THE FRAME UP.

The strength and reliability of SECO Select® stainless steel heated holding cabinets begins with a strong, solid frame. This rigid steel structure supports our equipment and protects the food and materials stored within it.

1-1/2" x 1-1/2" x 1/8"  
welded steel frame

Hinges and latches  
mounted to the frame  
(drilled/tapped)

5/16" caster plates, weld-  
ed on all four sides, drilled  
and tapped for secure  
fastening of casters

Powder Coated  
frame for superior  
corrosion resistance
