nutrients in foods than conventional methods**

Instant Steam Convenient Plug-in Saves Energy

COMMERCIAL ELECTRIC RICE COOKERS

See the Video

Designed for quantity and convenience, the Panasonic commercial rice cooker series comes in a choice of capacities from approximately 75 to 168 max 3 oz. portions in 40 minutes or less. All are fully UL and NSF approved for durability and safety certification for commercial use.

EXCLUSIVE FEATURES

FOOD ZONE
Sanitation has never been easier. Unique plastic food zone parts snap in and out and are dishwasher safe.

WATER DISTRIBUTION TUBE
No bottle brushes required. Easily removed and disassembled for cleaning. Dishwasher safe.

DUAL EXHAUST
Groundbreaking technology allows hot-air discharge from the side and/or the top of every unit.

ONE-TOUCH CLEANING
One touch to sanitize, one touch to de-lime. LEDs signal when cleaning is required.

Water Filters

Limitless

Fit for any space. Our exclusive, groundbreaking technology is designed to discharge hot air from both the side and top of the unit, making it the ultimate solution for tight spaces regardless of air flow requirements.

Ask us how a water filter can extend a CIM Series cuber evaporator warranty
