**Retains up to 7X more water-soluble
nutrients in foods than conventional methods**

Instant Steam Convenient Plug-in Saves Energy

COMMERCIAL ELECTRIC RICE COOKERS

See the Video

Designed for quantity and convenience, the Panasonic commercial rice cooker series comes in a choice of capacities from approximately 75 to 168 max 3 oz. portions in 40 minutes or less. All are fully UL and NSF approved for durability and safety certification for commercial use.

EXCLUSIVE FEATURES

FOOD ZONE

Sanitation has never been easier. Unique plastic food zone parts snap in and out and are dishwasher safe.

WATER DISTRIBUTION TUBE

No bottle brushes required. Easily removed and disassembled for cleaning. Dishwasher safe.

DUAL EXHAUST

Groundbreaking technology allows hot-air discharge from the side and/or the top of every unit.

ONE-TOUCH CLEANING

One touch to sanitize, one touch to de-lime. LEDs signal when cleaning is required.
