

CLASSROOM LEARNING ZONES

FOCUSED LEARNING

Team desks offer ample work space to enhance the traditional learning environment.

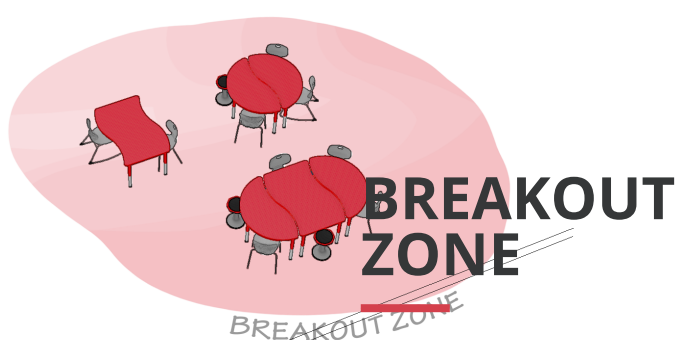

TEAM PLAYER >

INDEPENDENT STUDY

Allow students to work independently to master the concepts at hand in Hush Study Pods.

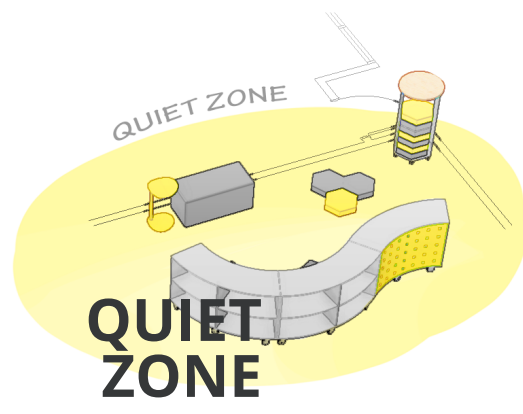

HUSH POD >

BREAKOUT ZONE

Collaborative work is essential in the 21st century classroom. Introduce teamwork and communication using Conekt Linx tables.

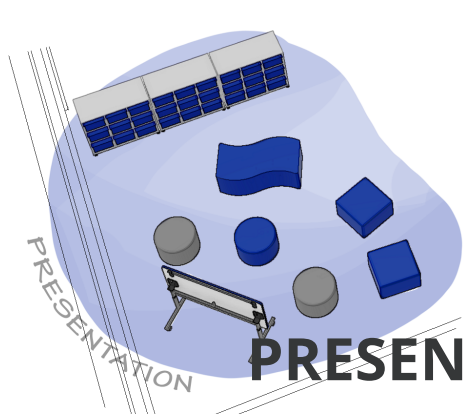

CONEKT LINX >

QUIET ZONE

Create a quiet zone away from the traditional learning to allow students to clear their mind with MityBilt soft seating.

SOFT SEATING >

PRESENTATION

Designate an area of the classroom to nurture students presentation and feedback skills. Using the MarkerBoard Flip Top table helps save space in the changing classroom.

MARKERBOARD >
