

BookSTOR

The BookSTOR is for creative and innovative minds – a space structuring storage system that creates variable areas for contemporary work. BookSTOR transforms traditional shelving systems and can be used as a room divider to create spaces and storage areas while serving as a visual and acoustic screen. BookSTOR is available in straight and curved elements with shelves, cubbies and totes. BookSTOR works hand in hand with Juice Soft Seating creating the perfect quiet work environment for students that want to get ahead.
