

# ENVIRON

## TRAPEZOID

**Model: EN2448Z#**

MityBilt developed the Aktivty Environ table for a more 'natural look'. This table is offered with high pressure wood grain laminate and matching 3mm edgeband. What sets this series aside from the rest, is its leg design. Take a moment to check it out. This includes a 2" diameter adjustable height leg with a solid wood insert. Available in maple and Oak, it also has the appeal of a solid wood table... but without the price tag.
