

# VISUAL LEARNING USA MAP

Model: ENT48R.CAN

Students will obtain a memorization of state names and capitals in a way that will make U.S. geography more meaningful for them. They will have an increased understanding of where states are in relation to each other, and the physical characteristics of each region. Students will have a permanent mental picture of their country in their heads, so that anything they learn about their country can immediately be related to a place.
