

Ultra

Ideal computer table

The Ultra is a new approach offered by MityBilt to meet the demands of today's competitive workplace. Effective as a single desk with a range of options to make it a game changer. The desk boasts a full complement of vertical and horizontal wire management.

Ultra Plus allows for the creation of a continual work surface and integral wire management, which is popular in both the office and IT environments. Each table frame gangs to a common supporting leg, creating extra work area without cluttering floor space and jeopardizing leg room with unnecessary supports.

FEATURES

Table Top Features

- 1" thick 45lb high density particle board
- High pressure scratch resistant laminate
- Chewing gum resistant table backing
