## child care 0-5    moose 6-9

Our youngest campers – babies and children through age nine – who are not yet big enough to fully participate in the regular activities, can take part in special activity programs geared for their age group.

Child care activities include indoor and outdoor games, stories, arts ‘n crafts, dance, nature walks in camp, life-guarded swimming, and paddling.

For the Moose, the activities include many of our summer camp activities such as street hockey, soccer, dance, swimming, canoeing, arts & crafts, and day trips. This program is offered every morning during the scheduled activity periods (see the Daily Schedule).

Morning Meeting Child Care is provided for children 5 and under each day at the Director’s Cottage.

- Morning child care activity period ends at 11:45
- Afternoon child care activity period ends at 5:00 (Punctuality in picking up your child is much appreciated.)

These times allow childcare staff to clean up and prepare for the next session and then time to get to the dining room to serve. Thank you for your understanding and promptness!

## special activities

### Quiet Time and Morning Meeting

Tuesday through Saturday our camp days start with Quiet Time and Morning Meeting after breakfast. Quiet time is meant for prayer and reflection; many campers use this half hour to read the Bible Lesson found in the Christian Science Quarterly. At Morning Meeting family campers volunteer to read one section of the Bible Lesson aloud, and campers are invited to share inspiration with the community. All family campers are welcome at Morning Meeting, whether or not they are familiar with the Bible Lesson. It is a special time for establishing a great day of fun at Family Camp! In addition, following Morning Meeting there are important announcements about the day's activities.

### Talent Show

The annual Talent Show will go on—Friday night! Calling all talent... big and small, family and individual, talent and no talent ... be creative!

### Campfire Sing-alongs

Cozy up to a lakeside campfire and join or listen to singing under the stars. Feel free to bring your own instruments and join in!

### Triathlon

Participate in a fun swim/kayak/run event as an individual or as a team, all ages welcome.

### Church Services

On Wednesday, we have a testimony meeting. On Sunday morning there is a church service and Sunday School. Again, all Family Campers are most welcome to attend and participate. We invite you to sign up to read at a Morning Meeting, the Wednesday testimony meeting, or the Sunday church service. We also invite anyone to contribute a solo on Sunday. Look for the sign-up sheets posted on the bulletin board to contribute to these community activities

## day trips

Day trips will be offered on some days. Trips are geared toward a wide range of abilities. They might include exploring the coast, mountains, waterfalls, and the surrounding countryside of Maine and New Hampshire. Day trips generally depart from camp after breakfast and arrive back at camp in time for dinner and evening activity. In general, if children participate in trips, they are accompanied by a parent. Older children may be accompanied by a non-family member. In that case, a parent must sign a release form.

### In the past we have sent trips out to:

Canoe the Saco River and the Androscoggin River (white water)  
Climb Mt. Washington, Bald Face Mt., Blueberry Mt., Mt. Jefferson, Pleasant Mt.,  
Mt. Chocorua, Explore Step Falls, Diana's Bath, Emerald Pool...  
Kayak tours around Long Lake

## physical care

As a Camp for Christian Scientists, we turn to God for healing first and foremost with the expectation that every human need is met completely and promptly. Should you have a need for immediate physical care, the closest *Journal* listed Christian Science nurse is in the Boston area. There are medical facilities in nearby Bridgton. We are happy to help and support you in whatever choice you make to help you meet your specific need.

Specific family needs as well as the sign-up date are taken into consideration when cabin assignments are made. Families stay at both Newfound and Owatonna. A limited number of cabins are equipped with half or full baths. There is a \$200 charge for a cabin with a bathroom.
