

Dear Valued Community Member,

Due to the current minor consent laws enforced by the State of California, (*American Academy of Pediatrics v. Lungren*, 16 Cal.4th 307 (1997); *Cal. Health & Safety Code §§ 123110(a), 123115(a)(1); Cal. Civ. Code §§ 56.10, 56.11).L*), Plumas District Hospital can no longer support portal proxy account access involving minors from the ages of 12 to 18. This means that once a child reaches 12 years of age, parents will no longer have proxy access to view the minor's account and medical records via portal. This change went into effect on Thursday, March 22nd, 2021.

To access medical records unrelated to minor consent laws, please fill out and submit a **Medical Records Request** form to the Health Information Management Dept. The request form can be downloaded from our website at: [www.pdh.org/patients/medical-records](http://www.pdh.org/patients/medical-records). Once completed, please email the form to [medicalrecords@pdh.org](mailto:medicalrecords@pdh.org) or send it to this fax number: 530.283.7197

Thank you for your understanding and patience.
