

## Williamstown, MA

**Cable Mills** offers residents the absolute best in contemporary Berkshire living: tall ceilings, massive windows, exposed brick and beam, and nearly uninterrupted living spaces making for spectacular open floor plans that provide the right blend of views, convenience, and flexibility.

This ground-breaking project has revitalized three historic mill buildings on a nine-acre site in Williamstown MA, transforming these abandoned industrial buildings into a quintessentially vibrant New England community.

### PROPERTY HIGHLIGHTS:

- 61 Luxury New and Renovated Apartment Homes
- A Variety of Home Floor Plans – from loft style to townhouse
- Affordable Housing Opportunities may be available for those who qualify
