

## SPECIALIZED MEMORY CARE

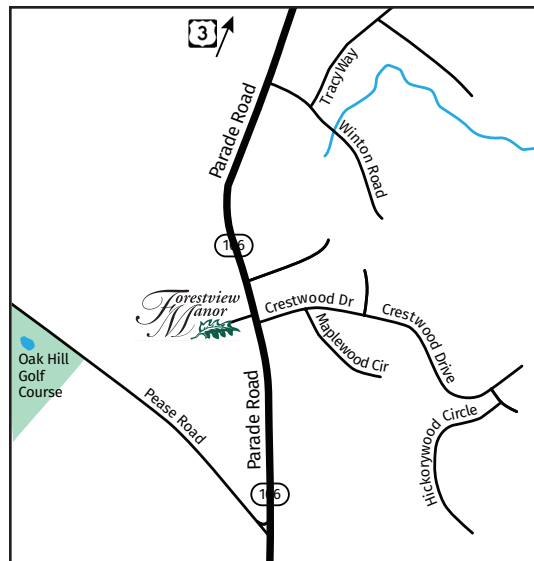

We are a secure and engaging community for those seniors with Alzheimer's disease and other forms of memory loss. Our residents and their families enjoy our uniquely intimate and homelike setting.

### LOCATION

Located in New Hampshire's Lakes Region, Meredith enjoys its lake village feeling, being situated in a woody hilltop location near magnificent Lake Winnepesaukee. We take full advantage of this special place through our many cultural and scenic trips and activities such as the popular Sandwich Fair, and concerts and performances at local theaters and museums. Seasonally, there is even fishing at the lake and an annual fall foliage tour!
