Kimberly Place Apartments is located in the heart of Danbury, CT. Built in 1982, this 10 story high-rise brick building is the tallest in downtown Danbury!

Located on Main Street, we are on the bus line and within walking distance to several pharmacies and shops, and across the street from urgent care and banks. The local grocery store is just a quick walk away.

Our community is subsidized by Section 8, and in January of 2005 was placed in service as a Tax Credit community. To be eligible, one must be 62 years of age or older, or disabled, and meet income guidelines.
