Welcome to Oxford School Residences – Senior Living with Character

The Oxford School Residences is a beautiful example of restored Victorian architecture, formerly known as the Oxford Elementary School, located in the north end of Fairhaven, MA. Built within the walls of a historic structure, the school has been beautifully transformed into 52 one- and two-bedroom apartments for adults 62 and over, distinct with the kind of character that is rarely found in new construction projects.

Oxford School Residences feature apartments in the historic section, where charming details have been preserved, and a brand new section of the building featuring thoughtfully planned out apartments with the same finishes and neutral palette of white, grays and browns.

Apartments feature high ceilings and oversized windows, vinyl plank flooring, stainless steel appliances, shaker style cabinets, and convenient, step-in showers.

The revitalized Oxford School is ready to be your new home!
