- Aware and knowledgeable of the federal and state laws and regulations regarding assisted living/memory care and the regulations of the state’s nursing commission; ensures and maintains regulatory compliance with all such regulations.
- Facilitates, with high integrity, the overall coordination and management of care and services for residents and provides supervision of the Resident Services Department through the following:
 - Move In Process
 - Pre move-in assessments, review of paperwork and initial Service Plan Development
 - Assessment and Service Plan
 - Identify needs for additional assessment, health monitoring or other coordination of care needs
 - Service Plan review Process

- Coordinate residents health care in collaboration with residents, families and outside health care agencies, including referral when indicated
 - Conducts regular Service Plan Reviews with resident families, including meetings with responsible parties and including appropriate staff whenever changes in care levels occur.
 - Staff Training, Education and Supervision
 - Coordinates and participates in initial job specific orientation and training through routine review of training documents, in accordance with policies and procedures
 - Coordinates and conducts continuing training and education on a regular basis, as identified through routine auditing
 - Reviews documentation and communication of Resident Care Services associates
 - Supervises assigned personnel in the delivery of assistance with activities of daily living.
 - Proper, Accurate Documentation
 - Delegation
 - Provides Nursing delegation, in accordance with state regulations and Community policy.
 - Available after-hours for issues related to current residents' needs; may be required to come into the Community or conduct offsite assessment at these times.
 - Infection Control
 - Maintains compliance with Community policies on Immunizations and Infection Control.
 - Quality Assurance
 - Completes routine auditing of all Resident Care systems, in accordance with Resident Care Services Review Schedule and all other associate QA tools
- Responsible for monthly Resident Care staffing schedule. Available after-hours, on-call, related to Resident Care
- Provides weekly reports to Executive Director, regarding any issues associated with the provision of core services, and the managed residential community.
- Responsible for meeting budgeted department expenses and labor hours, with any variances to be discussed with the Executive Director
- Participates in other Resident Care Services and Community related duties, as assigned by the Executive Director
- Understands, follows and enforces HallKeen safety practices and procedures.
- Understands, follows and enforces all practices and policies by HallKeen in order to comply with all applicable assisted living and labor requirements both state and federal as applicable
- Communicates effectively, warmly and respectfully with residents, families, professionals, community guests, and all HallKeen associates
- Able to work various schedules and shifts as needed or assigned
- Meet requirements to maintain license and certification as well as meeting all orientation and training requirements by HallKeen
- Understands, manages and ensures compliance with all applicable guidelines and regulations associated with Elder Affairs, assisted living, PACE, MassHealth and others as necessary.

Education/Experience/Licensure/Certification:

- RN (preferred) or LPN with current license to practice in the state of Massachusetts
- Two to five years' experience as a Resident Care Director in assisted living required
- Experience with and passion for working with seniors
- Able to demonstrate high level of service delivery including what is necessary to prioritize resident/community needs, properly analyze and rectify service issues and ensure satisfaction
