

*Ars Ikasia's bookbindings are unique objects,  
each one designed and built by hand, with love and care.*

*They are born from my passion for paper and textiles,  
for drawing, writing and the preservation of human history.*

*I have created seven bookbinding lines:  
**Nysa, Edda, Lyra, Heka, Tara, Thea** and **Yria**,  
each one with different styles and finishes.*

*My wish is for you to find an object that inspires you  
to express your ideas and emotions, the lessons, projects  
and dreams that arise along your path...*

*silvana verdini*

# Catalog icons

## ~ Covering material

One printed cotton fabric

One tapestry fabric

One solid color suede cloth

Two or more combined fabrics

Hand-painted fabric

Hand-painted paper

Hand-painted paper  
combined with fabric

## ~ Covers hardness

Hard cover binding

Semi-rigid cover binding

## ~ Inner paper

Textured paper, tone(s)

Smooth paper, tone(s)

Number of pages

Number of sheets

Pen

Ribbon bookmark

Cotton headband  
in solid color

Hand-stitched headband,  
in two different colors

Interior paper pocket

Printed envelopes

Printed cards

## ~ Closing system

Magnets

Button

Elastic cord

## ~ Finishes

Ornament in relief

Special stitch on the spine

Embroidery

Original illustration

Original photographs

Printed editorial design

## ~ Customizing option

---

*Name*

Design of one word or name,  
in a paper mosaic

AS

Design of one to four  
initials in relief

## ~ Bookbinding prices

---

\$

**Prices are in United States dollars (USD):**

- They include the value-added tax (VAT)
- They do not include shipping or exporting costs

-\$-

The price for orders of multiple objects and the price for custom items, as well as the cost of their shipment, will be determined on a case-by-case basis.

A stack of several books with hand-painted covers. The visible covers include a large orange one with a wavy pattern, a dark blue one with a cracked texture, a red one with white circular patterns, and a yellow-green one with white circular patterns. The books are stacked diagonally, showing their edges and spines.
