

*Ars Ikasia's ceramics are conceived as unique objects  
and created carefully by hand.*

*They are born of my desire to shape clay  
and capture images, meanings, rhythm and life.*

*I have classified my work in five ceramic lines:  
**Okhra, Terra, Azura, Kreta** and **Umbra**,  
each one with an essential intention.*

*The art pieces are destined to captivate and reveal,  
to radiate the space of your own universe.*

An abstract sculpture composed of various geometric shapes, including spheres and a large cube. The surfaces are decorated with intricate patterns of lines, stripes, and zig-zags in earthy tones of red, brown, and grey. The lighting is dramatic, highlighting the textures and forms of the sculpture.
