Dear Electrical Service Professionals LLC :

We are pleased to inform you that your Renovation, Repair and Painting (RRP) application has been accepted and you are now certified by the Department of Environmental Quality (DEQ) as a Renovation Firm, Certification #: OKRRPFIRM122166188. Your certification is active beginning on 07/11/2022 through the next five years ending 07/11/2027. The attached certificate is your documentation of DEQ certification and should be properly displayed per OAC 252:110.

DEQ accepted this program so we could be more responsive and accessible to the public and our regulated firms and renovators, and we look forward to assisting you with compliance and information. Much of this assistance will come from our website:

<https://www.deq.ok.gov/air-quality-division/lead-based-paint/>

We list our certified firms there, as well as other information. You can also sign up for our email system so we can keep you updated on changes and information related to lead-based paint.

If you need further information or have any questions, please do not hesitate to contact the Lead-Based Paint Program at (405) 702-4100. Please advise DEQ of any changes that may affect the firm's certification. Please address all LBP correspondence to one of the following addresses: LBPReporting@deq.ok.gov, OR Department of Environmental Quality, Attn: LBP Staff, AQD, P.O. Box 1677, Oklahoma City, OK 73101-1677.

Sincerely,

A handwritten signature in black ink that reads "Heather Lerch". The signature is written in a cursive style.
