Mary Baker Eddy writes:

"The wintry blasts of earth may uproot the flowers of affection, and scatter them to the winds; but this severance of fleshly ties serves to unite thought more closely to God, for Love supports the struggling heart until it ceases to sigh over the world and begins to unfold its wings for heaven."

(Science and Health with Key to the Scriptures, Mary Baker Eddy, p. 57:24)

Let us surround them with prayer, compassion, and love during this time.
