

Christian Science Nursing Youth Service Corps

Job Title: Christian Science Nursing Youth Service Corps Member

Ministerial Designation: Minister of Religion-exempt

Department: Multiple Departments

Reports To: Executive Assistant, Office of the President

Prepared Date: 7/29/2022

Summary

Tenacre is a participating organization in the 2022-2023 Christian Science Nursing Youth Service Corps (CSNYSC). The program is a service-learning opportunity for young adults ages 18 to 30—similar to AmeriCorps. CSNYSC introduces young adults to Christian Science nursing by working in various capacities in a CSN facility.

The nine-month program begins mid-September with two weeks of classes on Christian Science nursing with the CSNYSC cohort. The role includes a \$15/hour salary, free housing, and an educational grant of \$2,500 upon completion.

CSNYSC is a sponsored program of The Principle Foundation.

Essential Roles and Duties

Please see below for the full job description from the CSNYSC.

Qualifications

Please see below for qualifications.

Participants should be enthusiastic and dedicated to Christian Science; be service-minded, open, and available to new experiences; and want to learn and grow more in their understanding of Christian Science.

Applications

To apply, visit www.comforterscalling.org to complete the initial application and indicate Tenace as one of your preferred facilities.

Applications are due **August 19, 2022.**

Christian Science Nursing - Youth Service Corps Member Job Description

Program Type: Christian Science Nursing Youth Service Corp Member

Temporary employee: \$15/hour

Work Schedule: 20 part-time (or 40 full-time hours based on facility availability)/week flexible schedule

Reports to: YSC Coordinator at CSN facility

Program Start/End Date: 9 months part-time: September 2022 - May 2023

Date prepared: Updated April, 2022

Program benefits: Orientation/training in Christian Science nursing; professional experience; Good Samaritan Award/ABF Career Development Scholarship \$2500 to be made to a designated educational institution for degree completion and career development upon successful completion of the program in recognition of service field learning; housing.

Terms: Permits working at a job and/or schooling outside of the CSNYSC

Summary of duties: Learn about and incorporate the essence of Christian Science nursing (CSN) into all aspects of ministry through an integrative learning experience that intends to bring together the development of knowledge, skills, and abilities (KSA), moral integrity, ethical discipline, and spiritual growth. Serve at Christian Science nursing facility 4-8 hours per day or flexible to serve a total of 20 hours per week; schedule and choice of following duties to be determined at each CSN facility site.

Youth Corps member duties may include a variety of responsibilities:

Patient Care

- Provide Christian Science nursing assistance which includes:
 - Read to or with patients from the Bible, *Science and Health with Key to the Scriptures* and other writings by Mary Baker Eddy, and additional literature published by The Christian Science Publishing Society
 - Communicate in an ethical, moral, and loving manner

- Maintain an atmosphere that is conducive to spiritual healing and supportive of harmonious care
- Assist patients with walks, including the use of mobility aids such as walkers or wheelchairs
- Assist with serving food and feeding patients
- Facilitate Christian Science Monitor chats focused on healing
- Develop and/or assist with activities to engage facility guests

Staff Support

- Build relationships with Christian Science nurses and other Christian Scientists
- Participate in in-service facility training
- Collaborate with Mentor and other CSN-Service Corps member(s)
- Partake in team building and staff support

Administrative Guidance

- Assist and learn about facility business and management
- Assist with administrative/clerical needs to support Christian Science nursing care
- Assist with database development to expand outreach
- Provide welcoming care to callers and receive outside guests
- Engage in research & development projects (e.g. friend/fundraising)

Facility Care

- Be involved in the physical care of the facility and grounds
- Engage in and learn from various departments (Food Service, Maintenance, Housekeeping, etc.)
- Participate in future planning of renovations

Field Engagement

- Initiate youth outreach to churches and beyond to broaden awareness of Christian Science nursing
- Contribute ideas for expanding service outreach for young people
- Research and seek out church members (especially those who are isolated) to provide care through phone outreach/check-ins and companionship and/or meal delivery
- Assist with home care services, as needed

Self Education & Care

- Do metaphysical preparation and study for self, the facility, the program, and

the world.

- Participate in 2-week education on ethics and practice of Christian Science nursing, along with all CSNYSC members
- Actively engage in Reflection Sessions with Supervisor/Mentor
- Meet monthly with all CSNYSC members

Service areas: Christian Science nursing facility, branch churches, Reading Rooms, local community; youth organizations

Qualities: Cheerful, orderly, punctual, patient, full of faith, receptive to Truth and Love (*Science and Health*, p. 395); Active listening; Comfort and caring with Christly compassion; Self-initiative
