

Christian Science Nursing Internship

This internship (3 to 12 weeks) is a gentle introduction to Christian Science nursing in action, to forward its healing purpose. As a member of our Activities team in coordination with Christian Science Nursing Services, you participate in this healing ministry by interacting with our guests through your inspired spiritual sense, in a variety of ways including:

- Bringing spiritual reassurance and joy
- Reading aloud
- Companionship with guests at mealtime, and in activities such as arts and crafts, hymn sings, Church services, and trips off property
- Helping to plan and organize activities
- Observing Christian Science nurse Assistants and Christian Science nurses in their ministries
- Meeting with those in management positions in the Christian Science Nursing and other departments

It begins with a two-day class along with one to two days of orientation by a Christian Science nurse mentor.

Requirements:

- Membership in The First Church of Christ, Scientist
- Regular attendance at Sunday School or church
- High school diploma or equivalent
- Demonstrated ability to read, write and speak English
