The following process applies to the notification to the Department of the enrolment in Subsidised Training of eligible Prospective Students. This process does not apply to the School Based Apprenticeship and Traineeship Program.

- (ii) the Prospective Student verbally providing their consent provided that a consent statement is recited to the Prospective Student or is made available for the Prospective Student to read.

The wording set out in Schedule 1 of the Operating Guidelines has been drafted for the purpose of allowing FCIATA to provide personal information collected from students to the Department for use by the Department and other government agencies, including those in other States and Territories in Australia. The disclosure should be in addition to FCIATA's other notification and disclosure obligations in relation to privacy and does not relieve FCIATA of its responsibilities under the Privacy Act and other applicable privacy laws. FCIATA must use the exact wording in the attached form but may incorporate this wording in its own notification/consent forms or use the form as an additional disclosure/consent.
